Re: 2966 Main Street SE Airdrie AB

Dear Dennis Villeneuve,

Thank you for all your hard work and efforts in the management transition of our recent Airdrie Project. We interviewed numerous commercial property managers and you surpassed all others with your Commercial Condominium knowledge and qualifications.

As soon as we met with you, we recognized the new building and owners would be well looked after. Volume 4 Developments Inc will highly recommend you and Barclay Street Property Management to other developers and builders.

Also thank you for leading the condo board transition meeting. The meeting advanced smoothly thanks to your professionalism.

Sincerely,

Denis Hrstic
