From: The Pelican Group
RE: Services of Mr. Paul McKay

The Pelican Group acknowledges Paul McKay for his valued services in representing our organization in the renewal of our office lease.

Paul demonstrated niche market knowledge and negotiating skills and tactics that provided noticeable leverage in negotiating the terms of our office lease. With his assistance we were able to achieve a lower than expected renewal rental rate.

Without hesitation, we recommend Mr. Paul McKay as a valued real estate advisor.

Kindest regards,

The Pelican Group

Murray Robins
