Dear Richard,

Your services that enabled the sale of our property at 310 – 15<sup>th</sup> Avenue SW has exceeded our expectation. You have shown us a level of service that highlights the importance of knowledge, experience, and professionalism in a not-so-simple commercial real estate transaction.

We would like to express our gratitude in this transaction. Additionally, we can both say, with the utmost level of confidence that anyone working with or considering the services of Richard can rest assured knowing they will always be getting the best care and attention. Richard understands his role and it is clear he takes great pride in the work he does.

We would like to take this opportunity to not only thank you for your assistance in this transaction but also extend the invitation to work together down the road should the opportunity present itself.

Sincerely,

Alan James Chapman
