

AS ABOVE

— mystic & holistic —

Absolutely recommend!! Myles did an amazing job throughout the entire process of finding a location for our brand new retail space and we could not be more pleased.

We truly felt taken care of as there was plenty of communication, prompt service, and our questions were always answered with consideration and fair recommendations.

In fact, everyone we worked with at Barclay Street was professional, transparent, genuine, and friendly.

Huge thanks to Myles and Murray for their collaboration and expertise!
