On behalf of Capstone Oilfield Services, I am pleased to offer our recommendation of Kris Hong and Rick Luebke of Barclay Street Real Estate in their commercial leasing service offerings.

In Capstone's first office leasing venture in Calgary's Downtown office market, Kris and Rick went above and beyond to locate, negotiate and facilitate the transaction process. Their knowledge about the economics of the Calgary market allowed us to obtain a great deal in a location that best fits our requirements. The Barclay Street team exemplified true character and ethics to understand our needs first, be transparent about throughout the process and maintain an open line of communication. Kris and Rick have continued to invest in the Barclay Street/Capstone relationship after the transaction closed and we feel comfort in knowing our real estate interests will be services for years to come.

Capstone is proud to recommend Kris Hong and Rick Luebke as knowledgeable and capable leasing brokers.

Dwight Bulloch  
President  
Capstone Oilfield Services Ltd.
