Letter of Recommendation

Dear Greg and Paul,

I am writing to thank you for your most excellent help to secure a facility for Calgary Life Church. As you know we faced an unbelievable number of seemingly insurmountable obstacles ranging from zoning, parking, and especially the short time frame in which we needed to move.

Your expertise, dedication, and excellence really helped put us at ease. You were relentless in your search, brilliant in your negotiating, and so very professional in all your dealings. You earned not only our trust but also our respect. In the future we know who we will call.

Thank you once again for a great experience!

→ Sincerely,

Pastor Anthony Greco
