To Whom It May Concern:

This letter is to express my complete satisfaction in working with Paul McKay of Barclay Street Real Estate Ltd. I want other organizations seeking a new lease or office space to know that Mr. McKay's efforts are exceptional and I recommend his services.

Throughout the process, Mr. McKay represented Benson & Associates and exceeded our expectations. He is a professional and knowledgeable man and is definitely enjoyable to deal with. The experience was truly a pleasure.

Again, I have no hesitations to recommend Mr. McKay's services to other organizations. We are happy to continue working with him in the future!

Sincerely,

Kris Benson  
President, Benson & Associates
