From: **Jager Homes**  
Re: **Paul McKay – A valued niche specialist**

---

Jager Homes would like to commend Paul McKay of Barclay Street Real Estate as a valued leasing representative acting on our behalf in leasing vacant office space within one of our commercial office properties in suburban Calgary.

We would like to specifically recommend the services of Paul McKay and are confident that other Landlord's in Calgary's Suburban office leasing market will be equally pleased with his professionalism, work ethic, market knowledge and ability attract and complete office lease transactions.

Although impressed with Mr. McKay's original proposal to lease our property, our expectations have been continually exceeded by his continual and rigorous commitment on implementing and following through with each marketing strategy he initially recommended.

Should you need additional clarity on our relationship or the performance of Mr. McKay, please don't hesitate to contact me.

Sincerely,

Jager Homes Inc.
