

To whom it may concern,

Barclay street, through the dedicated support of Wanda Eilers and Bill Falagaris provided substantive assistance to Immigrant Services Calgary in the search for, selection, and negotiation of the lease for our commercial office space. Their dedicated and detail-oriented support resulted in securing a beneficial office-space arrangement for ISC.

The COVID-19 pandemic resulted in additional challenges in finding and leasing an office space for ISC. Bill and Wanda expertly navigated these challenges and provided valuable recommendations during the office space search and selection. Following the selection of the office space, made possible by their diligent efforts, Wanda and Bill provided valuable assistance with the lease negotiations, ensuring that ISC's office-space goals were met.

Once a lease to the ISC office space was agreed upon, Bill and Wanda also provided valuable support with the coordination and delivery of office space walk-throughs for the proponents bidding for ISC's office space renovation and redesign.

Wanda and Bill demonstrated dedication, professionalism, responsiveness, and valuable knowledge that greatly benefited Immigrant Services Calgary. With their valuable work in mind, Immigrant Services Calgary greatly appreciated it's work with Barclay Street and has no reservations recommending them as a partner.

Sincerely,

Geoff Couldrey
Chief Operating Officer
Immigrant Services Calgary
