RE: Real equity Centre & Sunbow Professional Centre

Over the past couple years we have retained the services of 3 separate listing brokerages before listing with Mike Brain and Barclay Street Real Estate. In that time Mike has been successful where others simply were not. He has been able to generate offers and finish deals during a difficult and challenging market. Mike's hard work and constant communication has been an asset to our company. We have no hesitation to recommend Mike and we will continue to list our properties with him.
