RE: Shirley Ganong

We are pleased to provide this reference letter for the management services provided by Shirley Ganong of Barclay Street Real Estate Ltd. Shirley has been involved with the management of Hilltop Plaza for the past fifteen years.

Hilltop Plaza is a retail shopping centre located in Calgary, Alberta comprising of approximately 25,000 square feet.

Prior to her joining Barclay Street Real Estate Ltd., she was employed with Anchor Management, which was purchased by Barclay Street Real Estate Ltd. in December 2006.

Shirley is efficient in dealing with issues that arise and she is honest and hard working. She also has an excellent working relationship with our Tenants and it is not always easy to find this combination of skills. She takes great care in providing accurate financial statements on a timely basis and diligently monitors the costs incurred for the property.

I personally recommend Shirley Ganong to anyone seeking professional management guidance and expertise in property management.
