To Whom It May Concern:

RE: Shirley Ganong

We are pleased to provide a letter of reference for Ms. Shirley Ganong.

Shirley has been involved with the day to day management of two properties we have owned in Calgary, Alberta.

The first property she has been involved with since May 1st, 1999. Shirley prepares and provides us with the monthly financial statements as well as the operating budgets, Lease and Lease Renewal Agreements, and she also addresses any concerns of our Tenants.

The second property we have sold, but Shirley was involved with this property for a number of years as well. She was able to provide the Purchaser of this property with detailed and accurate records, which made the sale of the property flow through very smoothly.

Shirley has always maintained excellent accounting records and we have found her to be very honest and hard working.

We strongly recommend Shirley Ganong if you are considering hiring a property administrator as she had done and continues to do an excellent job for us.

Sincerely,

Sinil Holdings Ltd.
