Dear Mr. Carver,

Please find enclosed an official donation receipt for the recent cash gift from Barclay Street Real Estate Ltd.. Your vision is a vital contribution and catalyst for our community.

Your support and work on the listing and sale of our building was not only professional and insightful, but ultimately invaluable. We appreciate everything you and your team did to help us, and the purchaser, along the way

This generous donation from Barclay Street is greatly appreciated. It will be used to develop, present and educate about contemporary visual art and continue high-quality programming that enriches modern civic culture for all ages.

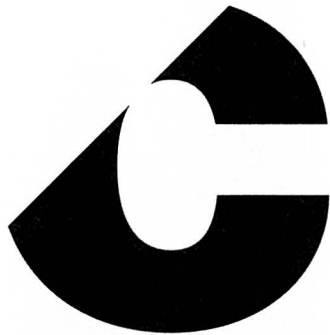

As the next phases for our gallery project unfold, we are developing a new program to recognize our donors and sponsors. We would like to include Barclay Street in that process and will be in touch to see what options might best fit your brand and objectives.

Yours truly,
