To It May Concern,

RE: REFERENCE LETTER FOR RYAN SWELIN

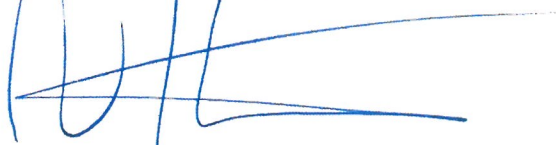

We are a boutique law firm with an emphasis on personal injury claims and wrongful death claims.

We retained Ryan to seek out a property that we could use for our long term location, instead of paying lease costs for the next 20 years. We found Ryan to be very patient and helpful. He was prepared to spend the time required to help us understand our options and he provided the necessary guidance in our decisions. After a lengthy search and reviewing numerous properties we where able to locate an appropriate location and are in the process of rezoning that property for office use.

It has been a pleasure working with Ryan Swelin.

Yours very truly,

EVERARD & KUBITZ
