

To whom it may concern:

Totem Developments Ltd recently employed Ryan Swelin to help us find new investment properties for our portfolio. Ryan helped us locate an excellent site in Sundre and worked with us through the sale process to help us meet and understand the clients in the Sundre Mall.

Ryan is an intelligent and motivated individual. He is an extremely capable commercial realtor and I would not hesitate recommending him to other colleagues. We plan to use Ryan again on future purchases.

If you would like additional information about Ryan, you can telephone me at (403) 874-9058, or email me at [ryan@totemgroup.ca](mailto:ryan@totemgroup.ca)

Sincerely,

Ryan Thorogood  
Vice President
